

Pathway to Settlement

Manage your property settlement in real-time from the palm of your hand.

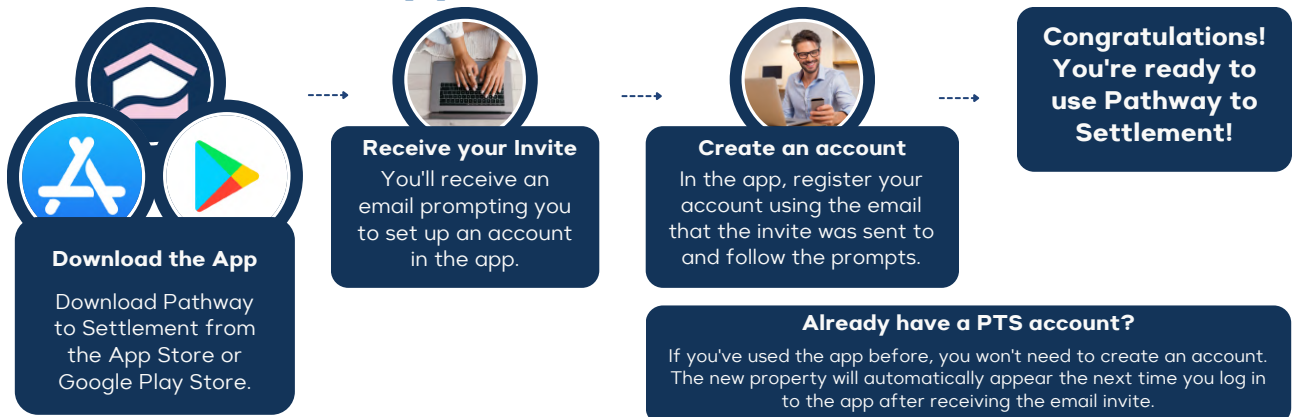

Your conveyancer has chosen to offer the Pathway to Settlement app as a way to make your property settlement more transparent, more secure and less stressful.

This breakthrough app for home buyers and sellers, real estate agents and finance brokers allows you to:

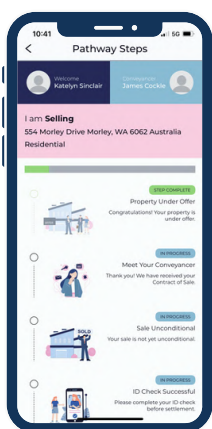

- ✔ Track your settlement in real-time
- ✔ Follow along the key milestones of your transaction
- ✔ Securely exchange financial information with your conveyancer
- ✔ Send to and receive documents from your conveyancer

How to set up your Pathway to Settlement app

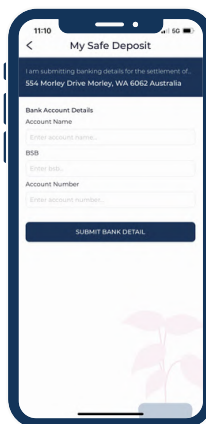

How to Track your Settlement

Use the My Settlement Tracker feature to track your property settlement in real-time.

- ✔ View completed milestones as well as upcoming milestones for full transparency around where your property settlement is at.
- ✔ Select a milestone for more information to give you complete clarity about what to expect at each stage of your settlement journey.
- ✔ Contact your conveyancer with ease by clicking on their name.

Keep your funds safe with My Safe Deposit

To use My Safe Deposit and ensure your account details are kept safe and unable to be intercepted by scammers, navigate to My Safe Deposit on your Pathway to Settlement home page.

Navigate to the property you wish to share your account details for, enter your Account Name, BSB and Account Number and then press Submit Bank Detail.

Your financial information will then be encrypted and securely transmitted directly to your conveyancer's transaction management software.

Need assistance or have a suggestion?

If you require assistance with or have questions about your property settlement, please contact your conveyancer. For technical support with the app, please submit a request via the Provide Feedback feature in the Pathway to Settlement app.
